ARTICLE 1      PURPOSE

It is the purpose of this Memorandum of Understanding to promote and provide for harmonious relations, cooperation and understanding between Management and the employees covered by this Memorandum; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this Memorandum of Understanding; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours and other terms and conditions of employment of the employees covered by this Memorandum, which understanding the parties intend jointly to submit and recommend for approval and implementation to the County's Board of Supervisors.

## ARTICLE 2            RECOGNITION

### Section 1.

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, Los Angeles County Employees Association, SEIU, Local 721, was certified on April 23, 1970 by County's Employee Relations Commission (Employee Relations Commission File No. R-74-69) as the majority representative of County Employees in the ADMINISTRATIVE, TECHNICAL AND STAFF SERVICES Employee Representation Unit (hereinafter "Unit") previously found to be appropriate by said Employee Relations Commission. The Los Angeles County Employee Relations Commission adopted an Amendment of Certification on February 26, 2007, transferring representational responsibilities to SEIU, Local 721 for bargaining units formerly represented by SEIU Local 660 and SEIU Local 535. Management hereby recognizes Los Angeles County Employees Association, SEIU, Local 721, as the certified majority representative of the employees in said Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in said Unit in the employee classifications comprising said Unit as listed in the Salaries Article, as well as such classes as may be added hereafter by the Employee Relations Commission.

### Section 2.            Exclusive Recognition

Management agrees that it shall recognize SEIU, Local 721, as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and SEIU, LOCAL 721, has shown it has met the requirements of any such new rules.

ARTICLE 3            IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions hereof; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of the date approved by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4      AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Memorandum of Understanding:

- A. Management's principal authorized agent shall be County's Chief Executive Officer, or his/her duly authorized representative [Address: 222 North Grand Avenue, Los Angeles, California, 90012; Telephone: (213) 974-2404], except where a particular Management representative is specifically designated in connection with the performance of a specific function or obligation set forth herein.

ARTICLE 5            OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither SEIU, Local 721, nor Management, nor their authorized representatives, will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 6            NON-DISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of SEIU, Local 721 and all other rights in the Employee Relations Ordinance and Government Code, Sections 3500 through 3511.

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2015. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2018.

ARTICLE 8        RENEGOTIATION

In the event either party hereto desires to negotiate the provisions of a successor Memorandum of Understanding, such party shall serve upon the other its written request to commence negotiations as well as its initial written proposals for such successor Memorandum of Understanding, during the period of May 15 to May 31,.

Negotiations shall begin no later than June 15, 2018. If full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by April 30, 2015, an impasse shall be automatically declared on those issues which remain in dispute unless the parties mutually agree to continue negotiations.

ARTICLE 9            WORK RELEASE FOR NEGOTIATIONS

It is the intent of the parties to engage in good faith negotiations and endeavor to reach agreement on a successor Memorandum of Understanding.

The Chief Executive Office/Employee Relations Division will meet and consult with SEIU, Local 721 thirty (30) calendar days prior to the commencement of negotiations for the purpose of obtaining information to ensure the release of a reasonable number of departmental employee representatives to attend and participate in successor contract negotiations.

For employees working on an evening or night shift the Chief Executive Office/Employee Relations Division will coordinate temporary work schedule/shift changes with Departments subject to operational considerations to facilitate negotiations for a successor MOU.

The parties shall be guided by past bargaining practice and ERCOM decisional precedent in releasing employee representatives to attend contract negotiations.

SEIU, Local 721 shall provide a final list containing the names and departments for bargaining committee members (regular members and alternates) to the Chief Executive Office/Employee Relations Division at least thirty (30) days prior to the commencement of negotiations.

ARTICLE 10      COORDINATED BARGAINING

## ARTICLE 11            GRIEVANCE PROCEDURE

### Section 1.            Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee or employees who may submit or be involved in a grievance.

### Section 2.            Definitions

1.     Wherever used the term "employee" means either employee or employees as appropriate.
2.     "Grievance" means a complaint by an employee concerning the interpretation or application of the provisions of this Memorandum of Understanding or of rules and regulations governing personnel practices or working conditions, which complaint has not been resolved satisfactorily in an informal manner between an employee and his/her immediate supervisor.  
  
A group grievance is a common complaint by a number of employees within the department or a unit thereof.
3.     "Business Days" mean calendar days exclusive of Saturdays, Sundays, and legal holidays.

Section 3.            Responsibilities

1.     SEIU, Local 721, agrees to encourage an employee to discuss his/her complaint with his/her immediate supervisor. The immediate supervisor will, upon request of an employee, discuss the employee's complaint with him/her at a mutually satisfactory time.
  
2.     Departmental Management has the responsibility to:
  - A.     Inform an employee of any limitation of the department's authority to fully resolve the grievance; and
  
  - B.     Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.
  
3.     The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

#### Section 4.                    Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

#### Section 5.                    Employee Rights and Restrictions

1. The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.

Subject to mutual agreement, considering the nature and complexity of the grievance, an employee may have additional representative(s).

2. The grievant may be required by either party to be present in meetings with Management for purposes of discussing the grievance.
3. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from his/her duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.
4. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

Section 6.            The Parties' Rights and Restrictions

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.

3. Management shall notify SEIU, Local 721 of any grievance involving the terms and conditions of this Memorandum of Understanding.
4. The SEIU, Local 721, representative has the exclusive right to represent employees at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of the Memorandum of Understanding.
5. If the SEIU, Local 721 representative elects to attend any formal grievance meeting, he/she must inform departmental Management prior to such meeting. The department may also designate a Management representative to be present at such meeting.
6. Only County employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the grievant. Such witnesses may attend formal grievance hearings on paid County time.

Section 7.                      Procedures

Level 1.                      Supervisor

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his/her knowledge of such occurrence, an employee shall file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance and the remedy requested from his/her departmental Management.

The employee shall submit two copies to his/her immediate supervisor and retain the third copy.

- B. Within ten (10) business days the immediate supervisor shall give his/her decision in writing to the employee on the original copy of the grievance and the reasons therefore.

Level 2.                      Middle Management

- A. Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3.                      Department Head

- A.     Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.
  
- B.     Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.
  
- C.     If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.
  
- D.     On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8.            Arbitration

1.     Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU, Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.
  
2.     Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
  - A.     The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
  
  - B.     The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
  - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
- 3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
  - 4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the

Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each

party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

- Purpose
- Recognition
- Non-Discrimination
- Implementation
- Term
- Renegotiation
- Safety and Health
- Payroll Deductions and Dues
- Authorized Agents
- Provisions of Law
- Workplace Retraining
- New Employee Orientation

ARTICLE 12      GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both Local 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, Local 721, and the grievant. The final agreement shall be binding on all parties.

Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13            GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A.     Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, SEIU, Local 721, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.
- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large

number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14      EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
  - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
  - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures

or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.
  - 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
    - A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

- B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within

sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

11. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.
12. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:
  - Purpose
  - Recognition
  - Non-Discrimination
  - Implementation
  - Term
  - Renegotiation
  - Safety and Health
  - Payroll Deductions and Dues
  - Authorized Agents
  - Provisions of Law

Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees, or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

Section 9.                    List of New Employees/Separations

ARTICLE 18      FULL UNDERSTANDING, MODIFICATIONS, WAIVERSection 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. - a) discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b) take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2.            Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions.

Management shall factor in attrition, implement transfers of qualified employees to available vacancies, recommend to the Board and/or CEO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any member of a bargaining unit.

In order to further mitigate the adverse impact of workforce reductions the Department of Human Resources and Chief Executive Office shall coordinate the use of the County's Enhanced Voluntary Time-off program with operating departments.

Management shall notify the employee of the termination of any assignment for which he or she qualifies for the additional responsibilities bonus. The additional compensation provided in this Article shall not constitute a base rate.

When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee's class and the out-of-class assignment is less than the above bonus, the employee shall receive the rate for the higher class. This bonus is paid pursuant to the conditions described below.

Section 2.      Conditions

If an employee is assigned to an out-of-class assignment for more than twenty (20) consecutive working days, Management shall upon the employee's or Union's written request for relief either:

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.

- B. Nothing in this article shall be construed as limiting Management's authority to make temporary incidental assignments on higher rated classifications work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training.

For the purpose of this article, a classification study is a study by the Director of Personnel or by the Personnel Office of the Department, of the duties and responsibilities assigned to a position in order to determine whether the position is properly classified.

Section 2.            Intent

It is the intention of the parties that this article be included only to inform employees of the established processes and procedures to follow when requesting a classification study on their own behalf and to further inform them of the parties' understanding on the acknowledgment of such studies and follow-up reports.

Section 3.            Procedures

A request for a classification study by an employee who believes his/her position is misclassified must be submitted in writing to the employee's department. If the employee's department cannot support the employee's request, it will be returned to the employee within thirty (30) days with an explanation. If the employee still believes the request is justified, the employee has the right to resubmit the request to the employee's department, which shall in turn schedule and conduct a classification study as defined by the Director of Personnel.

Section 4. Acknowledgment and Follow-Up Reports

Management agrees that all employee-initiated classification study requests shall be promptly acknowledged. Further, the department will inform the employee, and the Union may request a status report on the estimated completion date of the study. The departmental Management will keep the employee informed of study progress and forward written objections from the employee to either the Director of Personnel or the departmental Personnel Office, whichever is appropriate. It is further agreed that, if, within ninety (90) days, no action has been taken on an employee-initiated study, the departmental Personnel Officer or the Director of Personnel shall provide progress reports to the employee and to the Union upon the request of either.

The County agrees to provide Local 721 notice and consult pursuant to County Code Section 5.04.090 (A) regarding new classifications, the primary duties of which are derived from Local 721 represented classifications. Further, subject to approval of said new classifications by the Board of Supervisors, and upon accretion of said classes to the appropriate bargaining unit, upon the request of Local 721, the parties agree to negotiate and recommend proposed salaries to the Board of Supervisors for approval. Nothing in this paragraph shall limit Management's authority to classify or reclassify County positions pursuant to Civil Service Rule 5, Classification.

ARTICLE 27      PERSONNEL FILES

An employee, or his/her certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document shall not be placed in the official file nor referenced in any Performance Evaluation or Appraisal of Promotability until the grievance procedure or civil service appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in his/her personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of envelope. Section 3.        Pregnancy Leave

The parties agree that departmental Management shall grant a leave of absence without pay to any full-time permanent employee who becomes disabled as a result of pregnancy, which disability prevents her from performing the duties of her position. Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Director of Personnel and by the Department Head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which disability prevents her from performing the duties of her position as certified by her primary care giver (physician, nurse practitioner or nurse mid-wife), may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury. Additionally, the employee may use accrued vacation, holiday or compensatory time when on an authorized pregnancy leave of absence during such period of disability.

Section 4.            Employee Organization Leave

SEIU, Local 721 may not have more than ten (10) employees in the Bargaining Unit on leave of absence to accept employment with SEIU, Local 721. These leaves are subject to the Civil Service Rules.

The employee must have a minimum of one (1) year's continuous employment with the County. The requested leave shall only be granted if the prime reasons for the leave shall be to conduct SEIU, Local 721 business as it is related to County functions. The leave shall be without County pay or benefits of any kind. In no case shall an individual employee's leave extend beyond a year. Except by mutual agreement, no more than one (1) employee shall be on such leave from any given department.

Section 5.            Family Leave

- A.     The parties agree that employees covered by this Memorandum of Understanding are subject to the provisions of the California Family Rights Act of 1993 (CFRA) and the Federal Family and Medical Leave Act of 1993 (FMLA), as amended and the California Fair Employment and Housing Act (FEHA) Pregnancy Disability Leave (PDL).

- B.     The parties agree that within sixty (60) days of implementation of this contract, upon the request of the employee, the County shall provide the employee with a summary of the County of Los Angeles Family Leave Policy Guidelines.
- C.     Absences incurred for a Family Leave qualifying reason may not be used for purposes of placing or keeping an employee on certified time or cited or referenced in any Performance Evaluation or Appraisal of Promotability. Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the County Family Leave Policy.

- D. An employee shall be entitled to file a grievance for violation of the provisions of this Article in addition to the rights provided by law.

Section 6.                    Jury Duty and Witness Leave

Any person holding a permanent position ordered to serve on a jury shall be entitled to his/her regular pay provided the employee deposits his/her fees for service, other than mileage, with the County Treasurer.

Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels the employee's presence as a witness, unless the employee is a party or an expert witness, the employee shall be allowed the time necessary to be absent from work at the employee's regular pay to comply with such subpoena, provided the employee deposits any witness fees, except mileage, with the County Treasurer.

Section 7.            Other Leaves

The parties agree that employees covered by this Memorandum of Understanding are subject to other County authorized leave provisions including but not limited to: military leave, disaster leave, leave for civil service examinations and leave for school or child day care program activities. Specific leave information is available in the Appendix.

ARTICLE 29      ENHANCED VOLUNTARY TIME-OFF PROGRAMProgram Description:

EVTO is a special temporary program through which employees may individually volunteer to help reduce County Expenditures during periods of budgetary shortfall by taking one or more unpaid leaves of absence without the full loss of benefits usually associated with unpaid leave. This program will assist in achieving budgetary savings without significant adverse impact on critical public services.

Program Requirements:

The EVTO program includes the following elements and requirements:

- Implementation of the provisions of the Enhanced Voluntary Time – Off Program within each Department shall be subject to prior authorization by the Chief Executive Officer.
- The Chief Executive Officer may establish procedures and issue administrative instructions regarding the operation of the Enhanced Voluntary Time-Off Program.
- In order to maintain critical public services, all requests by employees for unpaid EVTO leave must be in writing and be approved in advance by the Department Head or his/her designee.
- During specific times each fiscal year, employees who wish to participate in EVTO will pledge the number of hours to be taken as EVTO. This will assist the departments in determining projected savings.

- In the event of an industrial injury or unforeseen hardship which significantly impacts an employee's decision to request EVTO, such employee shall be able to rescind or modify his or her EVTO pledge. However, a change or modification in scheduling days off must be approved by department Management.
- In the event of a County emergency affecting public health or safety, a Department Head may rescind all or part of any EVTO pledge, and require such employee to return to work immediately. Nothing in this paragraph reduces the authority of a Department Head to terminate any leave of absence as described in Civil Service Rule 16.04.
- An employee may take up to sixty (60) calendar days of EVTO each fiscal year during this program (see below for EVTO after sixty (60) days) with the following benefit guarantees:
- EVTO may be taken as sixty (60) or fewer consecutive calendar days; as a reduced work-week schedule (4/36 or other); or as occasional days off with Management approval.
- EVTO will not affect flexible benefit plan County contributions, or vacation and sick leave accrual. However, employees may wish to schedule occasional EVTO days to avoid loss of pay for weekend and holiday days.

- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.
- EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
- An employee may take a total of one (1) year of EVTO with the following parameters:
- A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
- After the first sixty (60) days of EVTO, the sixty (60) day EVTO benefit guarantees will not apply.
- Retirement service credit will not accrue during this period.

- FLSA Non-exempt employees may request EVTO in increments as little as one hour.
- FLSA Exempt employees must request EVTO in full work day increments.
- EVTO is granted without requiring employees to first use accumulated vacation and compensatory time-off.
- EVTO is not available to employees on any other paid or unpaid leave.
- Department Heads may continue to approve other unpaid leave of absences.
- If the employee's request is not approved, Management will respond in writing to the employee giving the reason(s) for denial.

ARTICLE 53      OVERTIMESection 1.      Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

- A. The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. §201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.
- B. The County will pay employees for any overtime worked at a rate of one and one-half (1 ½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.
- C. Payoff of Special Deferred CTO  
On or after October 1, 2000, at the employee's option, Compensatory Time Off (CTO) accrued during the period from October 1, 1993 through and including June 30, 1994 and remaining on the books may continue to be taken as time off, subject to management approval, or may be converted to pay. An employee electing payment for any portion of such CTO accrual balance may submit a request

and within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee.

With Department Head (Appointing Authority) approval, an employee in the bargaining unit may elect to work up to eighty eight (88) hours of FLSA overtime to be used as compensatory time off in lieu of pay. Compensatory time is accrued at the rate of one and one-half ( $1\frac{1}{2}$ ) hours for each hour of overtime worked. No more than one hundred thirty two (132) hours of compensatory time may be accrued in a calendar year. All overtime hours worked in excess of fifty six hours and accrued as compensatory time in a calendar year shall be paid.

To use compensatory time, an employee must submit a written request to the immediate supervisor at least five (5) working days prior to the first date requested to be off. Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written approval of departmental management. Accumulated compensatory time must be used by the end of the calendar year following the year in which it was earned or it shall be paid. Accrued compensatory time shall be paid prior to any promotions.

Management may direct an employee to use accumulated compensatory time provided the employee is given ten (10) business days' notice. Unless approved by management, employees may not accrue compensatory overtime hours which are work during disaster periods or emergencies declared by the Board of Supervisors, local or federal government.

Section 2.                    Usage of Non-FLSA Earned Compensatory Time

- A.     Employees shall not be directed by Management to take compensatory time off without at least ten (10) business days' notice or be denied a timely request to take such time off. Requests for time off will be approved based on the needs of the service as determined by Management.
  
- B.     With prior approval of departmental management, accumulated compensatory time not used during the calendar year in which it is earned may be carried over one (1) additional calendar year during which it must be taken. Compensatory time not used within the above period shall be paid to the employee at the straight time rate rather than lost.

Section 3.                    Saving Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, regulation, or court decision, the overtime provisions of the 1983-85 MOU shall be reincorporated into this MOU and applied in this Unit and any contrary language shall be deleted subsequent to the effective date of such action.

Section 4.                Distribution of Overtime

Management shall assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational work unit and work location. In the assignment of overtime under this provision, however, Management may consider special skills required to perform particular work.

Section 5.

An employee who works a four (4) day 40 hour week schedule or a nine (9) day - 80 hour two week schedule and who uses benefit time or compensatory time to cover the balance of a day in which they receive an eight (8) hour holiday, the benefit time or compensatory time used shall be treated for purposes of overtime computation in the same manner as the eight (8) hours of County holiday time.

ARTICLE 54      SPECIAL PAY PRACTICESSection 1.      Night Shift Differential

The parties agree to recommend jointly to the County's Board of Supervisors that employees in this Unit be paid for evening and night shift differential as follows:

- A.      The evening shift is a shift at least five-eighths of which falls between 4:00 p.m. and 11:00 p.m. The night shift is a shift at least five-eighths of which falls between the hours of 9:00 p.m. and 8:00 a.m.
- B.      Effective July 1, 1992, the evening shift differential shall be fifty cents (\$.50) per hour above the established rate for each classification. Effective October 1, 2017, the evening shift differential shall increase to \$1.00 per hour.
- C.      Effective July 1, 1992, the night shift differential shall be fifty-five (\$.55) cents per hour above the established rate for each classification. Effective October 1, 2017, the night shift differential shall increase to \$1.00 per hour.

Section 2.      Call Back

Whenever an employee is unexpectedly ordered by his/her Department Head or designated Management representative to return to work following the termination of his/her normal work shift and departure from his/her work location, the employee shall receive a payment of four hours' pay at the rate of time and one-half of the employee's regular rate of pay. Work performed in excess of four hours will be compensated for in accordance with provisions of the Overtime Article.

If an employee should complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his/her normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

### Section 3. Superior Subordinate Pay

The Chief Executive Officer will authorize compensation for a supervisor at a rate of \$1.00 per month more than the base rate of his/her highest paid subordinate, when the qualifying conditions are met as provided by Section 6.10.070 of the Los Angeles County Code.

The date that proof of completion is presented to Management that the final license has been obtained shall be the eligible date for the award of the bonus. Payment of the bonus shall be effective the second payday following the calendar month in which the Certificate is issued. For persons employed on a permanent full-time position of Inspector of Weights and Measures I or II who have already received all California State licenses shall be eligible for the bonus on the date they present proof of completion of all Certificates to Management. Payment of the bonus shall be effective the second payday following the calendar month in which the proof of completion of all Certificates is presented.

Any employee on a permanent, full-time position of Inspector of Weights & Measures I or II who successfully takes and passes a California State license examination, upon presentation of proof that the exam has been passed, shall be reimbursed the cost of each successfully passed examination.

Any permanent, full-time Inspector of Weights & Measures (Item #3091 and #3093) whose work assignment requires a Commercial Truck Drivers License shall receive a bonus of 12 levels. The bonus payment shall end when the Inspector is reassigned and a Commercial Truck Drivers License is no longer required, or when the Inspector fails to qualify for the Commercial Truck Drivers License.

Section 5.            Standby

Except as otherwise provided in this section, a \$0.25-per-hour bonus not to exceed a maximum of \$50.00 per month total may be paid to any person assigned regularly scheduled periods of standby service at off-duty times, which assignments cause inconvenience and restrict normal activity during such off-duty periods.

Assignment to such standby service requires the prior annual authorization of the chief executive officer, and payment of the bonus for standby service requires the finding of the chief executive officer that said service meets the standards set forth in this section.

## Section 2.

Notwithstanding any other provision of Section 1 of this Article, persons employed in the position of Child Support Officer I (Item No. 1613) may, at the discretion of the appointing authority, be compensated at the first, second, or third step of the range. The rate(s) established by this provision constitute a base rate.

The parties having jointly reviewed and considered available salary and wage information data, agree that independent of their relationship to prior salaries, the recommended salaries set forth herein were negotiated in good faith, and that said salaries were determined independently of race, gender, age or national origin.

Section 3. Step Advances

- a. Full-time permanent employees in this Unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better Performance Evaluation has been filed by the employee's department head. The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.
- b. If no performance review is filed as defined in a. above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due. Where no Performance Evaluation is issued in accordance with Paragraph a. above, the employee may request his department in writing to issue a Performance Evaluation. The department head shall issue a Performance Evaluation within five days of the employee's request. If said Evaluation is competent or better, the employee shall be granted a step advance effective to his step advance anniversary date.

c. Grievances arising out of this section shall be processed as follows:

- (1) Where no Performance Evaluation has been issued in accordance with Paragraph b. above, the employee may file a grievance with the Department of Human Resources. If the Department of Human Resources fails to obtain issuance of such Performance Evaluation within ten days after the grievance is filed with the Department of Human Resources, the employee shall be deemed competent and the step advance shall be processed within 30 days effective to his step anniversary date.
- (2) Where the department head issues a Performance Evaluation upon request of the Department of Human Resources, and said Performance Evaluation is competent or better, the employee shall be provided a step advance within 30 days effective to his step advance anniversary date.
- (3) Grievances based on an Improvement Needed Performance Evaluation shall be filed within ten days of issuance with the department head or his Designated representative who shall respond to the grievance within ten days. Appeals from a department head decision shall be processed in accordance with Civil Service Rules.

- d. During the term of this agreement, should any changes be made in the existing categories of Performance Evaluations which adversely impacts the application of this section, the parties agree to meet and renegotiate this section. In the event an agreement cannot be reached through negotiations, it is agreed that the Union may submit the dispute to arbitration. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluations.

Section 4.            Vacation For Pay Program

A.    Salary Deduction

The parties agree that, for the period October 1, 1993 through June 30, 1994, 2 percent shall be deducted from the pay of each employee. This deduction shall be determined by calculating the employee's actual pay based on the pay rate provided for the employee in the salary article of this MOU plus any earned pay period bonuses stated as a percent of pay or number of additional schedules and/or levels and subtracting from the result, 2 percent (8 salary levels). In the case of those employees taking part pay sick leave for all or a portion of the month no deduction shall be taken for the portion of the month in which the employee is receiving part pay sick leave.

**B.**     Special Vacation

1.     For each calendar month in which an employee receives a pay deduction as described in Paragraph A, such employee will receive .0201 of an hour of special vacation for each qualifying hour (as defined below) earned during the calendar month.
  
2.     For purposes of this article, "qualifying hours" means hours worked during a work period, industrial disability hours covered by County benefits and paid leaves of absence including EVTO. Not included are hours while receiving long term disability benefits, absence without pay hours, overtime hours, and regular days off.

**C.**     Vacation Usage

Any special vacation earned pursuant to Paragraph B, shall be credited to the employee on the first of the month after the month in which it is earned. The employee may use special vacation once it has been credited with the prior approval of management.

**D.**     Payoff of Special Vacation

On or after October 1, 2000, at the employee's option, unused special vacation may continue to be taken as time off, subject to prior management approval, or may be converted to pay. An employee electing payment for any portion of the employee's special vacation balance, may submit a request to management and, within 45 days of that request, shall be paid at the workday pay rate then in effect for the employee.

Any employee who terminates County employment shall be paid upon termination at the workday rate then in effect for any remaining special vacation granted pursuant to this article. It is understood that the Board of Supervisors may direct at any time prior to termination that some or all employees be paid at the workday pay rate then in effect for the employee for some or all of the unused special vacation.

## APPENDIX B

### **Performance Evaluations**

Performance evaluation deals with the development, discipline and appraisal of employees on a continuous or routine basis. Evaluation of performance is not the simple preparation of an annual report, but is a continuous process involving the communication of work goals, giving instructions, assigning work, observing and evaluating work progress and the ongoing dialogue between supervisors and workers during the entire rating period.

### **Informal Corrective Actions**

Informal corrective actions represent attempts to handle problems before they seriously hamper employee effectiveness. Because they are informal, they do not get inserted into the employee's official personnel record. Informal correction actions include discussion/coaching, counseling or a written notice of expectations or counseling.

### **School and Child Care Activities**

Any employee who is the parent, guardian, or grandparent with custody may utilize existing vacation, personal leave, compensatory time off, or leave without pay to participate in the school activities of their children who are either enrolled in kindergarten through twelfth grade or are under the age of five and enrolled in a child care or preschool program.

### **Civil Service Examinations**

Any employee shall be allowed time necessary to be absent from work at his or her regular rate of pay to participate in civil service examinations for positions with any public entity as defined in Section 6.04.080 of the Los Angeles County Code.

### **Military Leave**

Any employee shall be allowed a military leave of absence in accordance with the applicable provisions of law including, but not limited to, the Uniformed Services Employment and Reemployment Act, the Family and Medical Leave Act, the California Military and Veterans Code, the Los Angeles County Charter, and the Los Angeles County Code. At the conclusion of such leave, the employee shall be returned to work with all accumulated rights and benefits, including educational benefits, in accordance with all applicable provisions of law. No County employee shall be discriminated against, or adversely impacted, in any manner as a result of utilizing military leave.

### **Disaster Leave**

In the event of a disaster emergency as defined by Section 2.68.050 of the County Code and the Emergency Ordinance, Ordinance 10493, that prevents employees from reporting to their positions, the Chief Executive Officer may grant a leave of absence with pay to such employees, subject to ratification by the Board.

## APPENDIX D

### EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

#### Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

#### Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

#### Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

#### Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

#### Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

#### Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

#### Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

#### Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FIVILA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

#### Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

#### Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

Interfere with, restrain, or deny the exercise of any right provided under FMLA;

Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

#### Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29

C.F.R. § 825.300(a) may require additional disclosures.

"NOTICE A"PREGNANCY DISABILITY LEAVE

Under the California Fair Employment and Housing Act (FEHA), if you are disabled by pregnancy, childbirth or related medical conditions, you are eligible to take a pregnancy disability leave (PDL). If you are affected by pregnancy or a related medical condition, you are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if this transfer is medically advisable. You are also eligible to receive reasonable accommodation for conditions related to pregnancy, childbirth, or related medical conditions if you request it with the advice of your health care provider.

- The PDL is for any period(s) of actual disability caused by your pregnancy, childbirth or related medical conditions up to four months (or 88 work days for a full-time employee) per pregnancy.
- The PDL does not need to be taken in one continuous period of time but can be taken on an as-needed basis.
- Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your PDL.
- Generally, we are required to treat your pregnancy disability the same as we treat other disabilities of similarly situated employees. This affects whether your leave will be paid or unpaid.
- You may be required to obtain a certification from your health care provider of your pregnancy disability or the medical advisability for a transfer or reasonable accommodation. The certification should include:
  - 1) the date on which you become disabled due to pregnancy or the date of the medical advisability for the transfer or reasonable accommodation;
  - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer or reasonable accommodation; and,
  - 3) a statement that, due to the disability, you are unable to work at all or to perform any one or more of the essential functions of your position without undue risk to yourself, the successful completion of your pregnancy or to other persons or a statement that, due to your pregnancy, the transfer or reasonable accommodation is medically advisable.
- At your option, you can use any accrued vacation or other accrued time off as part of your pregnancy disability leave before taking the remainder of your leave as an unpaid leave. We may require that you use up any available sick leave during your leave. You may also be eligible for state disability insurance for the unpaid portion of your leave.
- Taking a pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, and our policy for other disabilities, please contact

"NOTICE B"FAMILY CARE AND MEDICAL LEAVE (CFRA LEAVE) AND  
PREGNANCY DISABILITY LEAVE

- Under the California Family Rights Act of 1993 (CFRA), if you have more than 12 months of service with us and have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave, you may have a right to an unpaid family care or medical leave (CFRA leave). This leave may be up to 12 workweeks in a 12-month period for the birth, adoption, or foster care placement of your child or for your own serious health condition or that of your child, parent or spouse.
- Even if you are not eligible for CFRA leave, if disabled by pregnancy, childbirth or related medical conditions, you are entitled to take a pregnancy disability leave of up to four months, depending on your period(s) of actual disability. If you are CFRA-eligible, you have certain rights to take BOTH a pregnancy disability leave and a CFRA leave for reason of the birth of your child. Both leaves contain a guarantee of reinstatement to the same or to a comparable position at the end of the leave, subject to any defense allowed under the law.
- If possible, you must provide at least 30 days advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself or of a family member). For events which are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of the need for the leave.
- Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.
- We may require certification from your health care provider before allowing you a leave for pregnancy or your own serious health condition or certification from the health care provider of your child, parent, or spouse who has a serious health condition before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or a reduced work schedule.
- If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.
- Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact

### Section 2.        Exclusive Recognition

Management agrees that it shall recognize SEIU, Local 721, as the exclusive representative of the employees in said Unit when County rules, regulations or laws are amended and SEIU, LOCAL 721, has shown it has met the requirements of any such new rules.

ARTICLE 3      IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions hereof; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of the date approved by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4      AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Memorandum of Understanding:

- A. Management's principal authorized agent shall be County's Chief Executive Officer, or his/her duly authorized representative [Address: 222 North Grand Avenue, Los Angeles, California, 90012; Telephone: (213) 974-2404], except where a particular Management representative is specifically designated in connection with the performance of a specific function or obligation set forth herein.

  - A.     Inform an employee of any limitation of the department's authority to fully resolve the grievance; and
  
  - B.     Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.
  
3.     The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

Section 4.                    Waivers and Time Limits

1.     Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2.     Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3.     If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.

Section 5.                    Employee Rights and Restrictions

1.     The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.

A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from his/her duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.

Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance and the remedy requested from his/her departmental Management. The employee shall submit two copies to his/her immediate supervisor and retain the third copy.
- B.     Within ten (10) business days the immediate supervisor shall give his/her decision in writing to the employee on the original copy of the grievance and the reasons therefore.

Level 2.                    Middle Management

- A.     Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3.                      Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.
- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.

- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.
- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8.            Arbitration

- 1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU, Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.
- 2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
  - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.
  - C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
  - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee

Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.

4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.
7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union.

To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

ARTICLE 12      GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or SEIU, Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, SEIU, Local 721, and the grievant. The final agreement shall be binding on all parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13      GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, SEIU, Local 721, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.
- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees.

Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14      EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
  - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.
  - C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.
  - 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:

- A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.
  - B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
- 6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
  - 7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
  - 8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.

9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.
11. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.

12. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

ARTICLE 15            PAYROLL DEDUCTIONS AND DUES/AGENCY SHOPSection 1.            Deductions and Dues

It is agreed that Union dues and such other deductions as may be properly requested and lawfully permitted shall be deducted, in accordance with the provisions of applicable State law, semi-monthly by Management from the salary of each employee covered hereby who files with County a written authorization requesting that such deductions be made or who is subject to an automatic Fair Share Fee or Agency Fee deduction pursuant to an agency shop provision.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2.            Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

Section 3.            Religious Objections

Any employee who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deduction to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

Section 4.            Agency Shop

It is mutually agreed by the parties that this Unit is an agency shop Unit. It is the intent of the parties that the agency shop provisions in the Memorandum of Understanding comply with applicable state law (Government Code Section 3502.5).

Section 5.            Rescission

It is mutually agreed by the parties that the agency shop provisions in this Memorandum of Understanding may be rescinded by a majority vote of all the employees represented by this Unit, under procedures established by the Employee Relations Commission. In the event such agency shop provisions are rescinded, then the procedures as described in Section 1 and 6 shall prevail. Any employees in this unit who have authorized Union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of this Memorandum of Understanding; provided, however, that any employee in the Unit may terminate such Union dues during the period August 10 through August 31, of the final year of this Memorandum of Understanding, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

This bonus is paid pursuant to the conditions described below.

Section 2.            Intent

It is the intention of the parties that this article be included only to inform employees of the established processes and procedures to follow when requesting a classification study on their own behalf, and to further inform them of the parties' understanding on the acknowledgment of such studies and follow-up reports.

Section 3.            Procedures

A request for a classification study by an employee who believes his/her position is misclassified must be submitted in writing to the employee's department. If the employee's department cannot support the employee's request, it will be returned to the employee within thirty (30) days with an explanation. If the employee still believes the request is justified, the employee has the right to resubmit the request to the employee's department, which shall in turn schedule and conduct a classification study as defined by the Director of Personnel.

Section 4.            Acknowledgment and Follow-Up Reports

Management agrees that all employee-initiated classification study requests shall be promptly acknowledged. The departmental Management will keep the employee informed of study progress and forward written objections from the employee to either the Director of Personnel or the departmental Personnel Office, whichever is appropriate. It is further agreed that, if, within ninety (90) days, no action has been taken on an employee-initiated study, the departmental Personnel Officer or the Director of Personnel shall provide progress reports to the employee and to the Union upon the request of either.

Further, subject to approval of said new classifications by the Board of Supervisors, and upon accretion of said classes to the appropriate bargaining unit, upon the request of SEIU, Local 721, the parties agree to negotiate and recommend proposed salaries to the Board of Supervisors for approval. An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document shall not be placed in the official file nor referenced in any Performance Evaluation or Appraisal of Promotability until the grievance procedure or civil service appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Director of Personnel and by the Department Head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which

Program Requirements:

The EVTO program includes the following elements and requirements:

- Implementation of the provisions of the Enhanced Voluntary Time – Off Program within each Department shall be subject to prior authorization by the Chief Executive Officer.
- The Chief Executive Officer may establish procedures and issue administrative instructions regarding the operation of the Enhanced Voluntary Time-Off Program.
- In order to maintain critical public services, all requests by employees for unpaid EVTO leave must be in writing and be approved in advance by the Department Head or his/her designee.
- During specific times each fiscal year, employees who wish to participate in EVTO will pledge the number of hours to be taken as EVTO. This will assist the

departments in determining projected savings.

- EVTO will not affect flexible benefit plan County contributions, or vacation and sick leave accrual. However, employees may wish to schedule occasional EVTO days to avoid loss of pay for weekend and holiday days.
- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.
- EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
- An employee may take a total of one (1) year of EVTO with the following parameters:
  - A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.

- Retirement service credit will not accrue during this period.
- FLSA Non-exempt employees may request EVTO in increments as little as one hour.

- EVTO is granted without requiring employees to first use accumulated vacation and compensatory time-off.
- EVTO is not available to employees on any other paid or unpaid leave.

An affected employee's departmental payroll section shall within one (1) business day forward a written request for a corrected or supplemental pay warrant for the affected employee to the Auditor-Controller. An employee shall be deemed to have waived the above indicated time limits, and to have indicated that he/she is willing to accept an adjustment on the following payroll warrant if he/she does not request a corrected or supplemental warrant within two (2) calendar days after receipt of the regular payroll warrant, exclusive of Saturdays, Sundays, and legal holidays.

Corrected or supplemental warrants will be sent by regular County messenger service to the employee's departmental payroll section. In emergencies the departmental payroll section will arrange to have the supplemental or corrected warrant either hand delivered to the employee or picked up by the employee at the Auditor's public counter.

The provisions of this section may be implemented even if the employee cashes the payroll warrant.

## Section 2.            Overpayments

Management will endeavor to notify the affected employee of an overpayment on the employee's payroll warrant(s) prior to making any deduction to recover any such overpayment from the employee's subsequent payroll warrant(s). Upon request by the affected employee Management will establish a reasonable method of repayment.

County agrees to determine the feasibility of having an affected employee repay an overpayment with accumulated benefits that the employee would be entitled to at termination of employment. County agrees to consult with the Union on this issue within ninety (90) days after implementation of this MOU, in accordance with the Employee Relations Ordinance (5.04.090(A)).

Recovery of more than fifteen percent (15%) of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor-Controller. Such recovery shall not exceed fifteen percent (15%) per month of disposable income (as defined by State law), except, however, that a mutually agreed-upon acceleration provision may permit faster recovery.

ARTICLE 53      OVERTIMESection 1.      Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

A. The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. §201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.

B. The County will pay employees for any overtime worked at a rate of one and one-half (1 ½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.

C. Payoff of Special Deferred CTO

On or after October 1, 2000, at the employee's option, Compensatory Time Off (CTO) accrued during the period from October 1, 1993 through and including June 30, 1994 and remaining on the books may continue to be taken as time off, subject to management approval, or may be converted to pay. An employee electing payment for any portion of such CTO accrual balance may submit a request and within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee.

- D. With Department Head (Appointing Authority) approval, an employee in the bargaining unit may elect to work up to eighty eight (88) of FLSA overtime to be used as compensatory time off in lieu of pay. Compensatory time is accrued at the rate of one and one-half (1 ½) hours for each hour of overtime worked. No more than one hundred thirty two (132) hours of compensatory time may be accrued in a calendar year. All overtime hours worked in excess of fifty six (56) hours and accrued as compensatory time in a calendar year shall be paid.

To use compensatory time, an employee must submit a written request to the immediate supervisor at least five (5) working days prior to the first date requested to be off. Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written approval of departmental management. Accumulated compensatory time must be used by the end of the calendar year following the year in which it was earned or it shall be paid. Accrued compensatory time shall be paid prior to any promotions.

Management may direct an employee to use accumulated compensatory time provided the employee is given ten (10) business days' notice. Unless approved by management, employees may not accrue compensatory overtime hours which are work during disaster periods or emergencies declared by the Board of Supervisors, local or federal government.

Section 2.                    Usage of Non-FLSA Earned Compensatory Time

- A.     Employees shall not be directed by Management to take compensatory time off without at least ten (10) business days' notice or be denied a timely request to take such time off. Requests for time off will be approved based on the needs of the service as determined by Management.
  
- B.     With prior approval of departmental management, accumulated compensatory time not used during the calendar year in which it is earned may be carried over one (1) additional calendar year during which it must be taken. Compensatory time not used within the above period shall be paid to the employee at the straight time rate rather than lost.

Section 3.                    Saving Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, regulation, or court decision, the overtime provisions of the 1983-85 MOU shall be reincorporated into this MOU and applied in this Unit and any contrary language shall be deleted subsequent to the effective date of such action.

Section 4.                    Distribution of Overtime

Management shall assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational work unit and work location. In the assignment of overtime under this provision, however, Management may consider special skills required to perform particular work.

Section 5.

An employee who works a four (4) day - 40 hour week schedule or a nine (9) day - 80 hour two week schedule and who uses benefit time or compensatory time to cover the balance of a day in which they receive an eight (8) hour holiday, the benefit time or compensatory time used shall be treated for purposes of overtime computation in the same manner as the eight (8) hours of County holiday time.

ARTICLE 54      SPECIAL PAY PRACTICESSection 1.      Night Shift Differential

The parties agree to recommend jointly to the County's Board of Supervisors that employees in this Unit be paid for evening and night shift differential as follows:

- A. The evening shift is a shift at least five-eighths of which falls between 4:00 p.m. and 11:00 p.m. The night shift is a shift at least five-eighths of which falls between the hours of 9:00 p.m. and 8:00 a.m.
- B. Effective July 1, 1992, the evening shift differential shall be fifty cents (\$.50) per hour above the established rate for each classification. Effective October 1, 2017 evening shift differential shall increase to \$1.00 per hour.
- C. Effective July 1, 1992, the night shift differential shall be fifty-five (\$.55) cents per hour above the established rate for each classification. Effective October 1, 2017 night shift differential shall increase to \$1.00 per hour.

Section 2.      Call Back

Whenever an employee is unexpectedly ordered by his/her Department Head or designated Management representative to return to work following the termination of his/her normal work shift and departure from his/her work location, the employee shall receive a payment of four hours' pay at the rate of time and one-half of the employee's regular rate of pay. Work performed in excess of four hours will be compensated for in accordance with provisions of the Overtime Article.

If an employee should complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his/her normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

### Section 3.            Superior Subordinate Pay

The Chief Executive Officer will authorize compensation for a supervisor at a rate of \$1.00 per month more than the base rate of his/her highest paid subordinate, when the qualifying conditions are met as provided by Section 6.10.070 of the Los Angeles County Code.

The date that proof of completion is presented to Management that the final license has

been obtained shall be the eligible date for the award of the bonus. Payment of the bonus shall be effective the second payday following the calendar month in which the Certificate is issued. For persons employed on a permanent full-time position of Inspector of Weights and Measures I or II who have already received all California State licenses shall be eligible for the bonus on the date they present proof of completion of all Certificates to Management. Payment of the bonus shall be effective the second payday following the calendar month in which the proof of completion of all Certificates is presented.

Any employee on a permanent, full-time position of Inspector of Weights & Measures I or II who successfully takes and passes a California State license examination, upon presentation of proof that the exam has been passed, shall be reimbursed the cost of each successfully passed examination.

Any permanent, full-time Inspector of Weights & Measures (Item #3091 and #3093) whose work assignment requires a Commercial Truck Drivers License shall receive a bonus of 12 levels. The bonus payment shall end when the Inspector is reassigned and a Commercial Truck Drivers License is no longer required, or when the Inspector fails to qualify for the Commercial Truck Drivers License.

Section 5.            Standby

Except as otherwise provided in this section, a \$0.25-per-hour bonus not to exceed a maximum of \$50.00 per month total may be paid to any person assigned regularly scheduled periods of standby service at off-duty times, which assignments cause inconvenience and restrict normal activity during such off-duty periods.

Assignment to such standby service requires the prior annual authorization of the chief executive officer, and payment of the bonus for standby service requires the finding of the chief executive officer that said service meets the standards set forth in this section.

A. OPTIONS/SALARY – COORDINATED BARGAINING

At SEIU, Local 721's sole option, the Union may re-open the 2003-2006 Fringe Benefit MOU (Article 8, Options) and the Individual Unit Contracts (Salary Article) for the purpose of negotiating a shift of general movement salary dollars to increase the County's Options (Health Insurance) contribution in 2005 and/or 2006.

Section 2.

Notwithstanding any other provision of Section 1 of this Article, persons employed in the position of Child Support Officer I (Item No. 1613) may, at the discretion of the appointing authority, be compensated at the first, second, or third step of the range. The rate(s) established by this provision constitute a base rate.

The parties having jointly reviewed and considered available salary and wage information data, agree that independent of their relationship to prior salaries, the recommended salaries set forth herein were negotiated in good faith, and that said salaries were determined independently of race, gender, age or national origin.

Section 3. Step Advances

- a. Full-time permanent employees in this Unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better Performance Evaluation has been filed by the employee's department head. The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.
- b. If no performance review is filed as defined in a. above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due. Where no Performance Evaluation is issued in accordance with Paragraph a. above, the employee may request his department in writing to issue a Performance Evaluation. The department head shall issue a Performance Evaluation within five days of the employee's request. If said Evaluation is competent or better, the employee shall be granted a step advance effective to his step advance anniversary date.

## APPENDIX D

### EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

#### Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

#### Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

#### Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave; most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

#### Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

#### Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

#### Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

#### Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

#### Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FIVILA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

#### Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

#### Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

Interfere with, restrain, or deny the exercise of any right provided under FMLA;

Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

#### Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29

C.F.R. § 825.300(a) may require additional disclosures.

If you are affected by pregnancy or a related medical condition, you are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if this transfer is medically advisable. You are also eligible to receive reasonable accommodation for conditions related to pregnancy, childbirth, or related medical conditions if you request it with the advice of your health care provider.

- The PDL is for any period(s) of actual disability caused by your pregnancy, childbirth or related medical conditions up to four months (or 88 work days for a full-time employee) per pregnancy.

- Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your PDL.
- Generally, we are required to treat your pregnancy disability the same as we treat other disabilities of similarly situated employees. This affects whether your leave will be paid or unpaid.
- You may be required to obtain a certification from your health care provider of your pregnancy disability or the medical advisability for a transfer or reasonable accommodation. The certification should include:
  - 1) the date on which you become disabled due to pregnancy or the date of the medical advisability for the transfer or reasonable accommodation;
  - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer or reasonable accommodation; and,
  - 3) a statement that, due to the disability, you are unable to work at all or to perform any one or more of the essential functions of your position without undue risk to yourself, the successful completion of your pregnancy or to other persons or a statement that, due to your pregnancy, the transfer or reasonable accommodation is medically advisable.
- At your option, you can use any accrued vacation or other accrued time off as part of your pregnancy disability leave before taking the remainder of your leave as an unpaid leave. We may require that you use up any available sick leave during your leave. You may also be eligible for state disability insurance for the unpaid portion of your leave.
- Taking a pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, and our policy for other disabilities, please contact

  - A.     Inform an employee of any limitation of the department's authority to fully resolve the grievance; and
  
  - B.     Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.
  
3.     The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

#### Section 4.                    Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

#### Section 5.                    Employee Rights and Restrictions

1. The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.

Subject to mutual agreement, considering the nature and complexity of the grievance, an employee may have additional representative(s).

3. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from his/her duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.
4. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

- A.      Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his/her knowledge of such occurrence, an employee shall file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance and the remedy requested from his/her departmental Management. The employee shall submit two copies to his/her immediate supervisor and retain the third copy.
- B.      Within ten (10) business days the immediate supervisor shall give his/her decision in writing to the employee on the original copy of the grievance and the reasons therefore.

Level 2.                      Middle Management

- A.      Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3.                      Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.
- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.

- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.
- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8.            Arbitration

- 1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, SEIU, Local 721, may request that the grievance be submitted to arbitration as provided for hereinafter.
- 2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:

- A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.
- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.

- D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
3. In the event SEIU, Local 721 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they

will select an arbitrator through an alternate striking of names from that list.

The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.
7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

ARTICLE 12      GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article11, Section 8, can be submitted to grievance mediation. Both SEIU, Local 721 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or SEIU, Local 721 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by

Management, SEIU, Local 721, and the grievant. The final agreement shall be binding on all parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13      GRIEVANCES GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between SEIU, Local 721 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where SEIU, Local 721, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, Local 721, SEIU, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, SEIU, Local 721, shall have the right to meet with the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.
- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to SEIU, Local 721, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working

conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14      EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
  - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
  - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established

procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and SEIU, Local 721, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum-of Understanding.
5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:

- A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.
- B. The parties agree that: 1) no stenographic record of the hearing will be made; 2) there will be no representation by counsel except for in-house staff counsel; and 3) there will be no post hearing briefs.
6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.

9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.
11. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.

12. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

ARTICLE 15      PAYROLL DEDUCTIONS AND DUES/AGENCY SHOPSection 1.      Deductions and Dues

It is agreed that Union dues and such other deductions as may be properly requested and lawfully permitted shall be deducted, in accordance with the provisions of applicable State law, semi-monthly by Management from the salary of each employee covered hereby who files with County a written authorization requesting that such deductions be made or who is subject to an automatic Fair Share Fee or Agency Fee deduction pursuant to an agency shop provision.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2.      Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c) (3) of the Internal Revenue Service Code.

Section 3.                    Religious Objections

An employee who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deduction to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

Section 4.                    Agency Shop

It is mutually agreed by the parties that this Unit is an agency shop Unit. It is the intent of the parties that the agency shop provisions in the Memorandum of Understanding comply with applicable state law (Government Code Section 3502.5).

Section 5.                    Rescission

It is mutually agreed by the parties that the agency shop provisions in this Memorandum of Understanding may be rescinded by a majority vote of all the employees represented by this Unit, under procedures established by the Employee Relations Commission. In the event such agency shop provisions are rescinded, then the procedures as described in Section 1 and 6 shall prevail. There can only be one election during the term of this Memorandum of Understanding.

Section 6.            Security Clause

Any employees in this unit who have authorized Union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of this Memorandum of Understanding; provided, however, that any employee in the Unit may terminate such Union dues during the period August 10 through August 31, of the final year of this Memorandum of Understanding, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 7.            Union Responsibilities - Hudson Notice

The Union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency shop fee payers to meaningfully challenge the propriety of the use of agency shop fees as provided for in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO et al. v. Hudson, 106 S. Ct. 1066 (1986). Such notice and procedures shall be provided to non-member agency shop fee payers for each year that the agency shop Memorandum of Understanding is in effect.

Section 8.            Implementation

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the employee's department, with a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

### Section 2.            Intent

It is the intention of the parties that this article is included only to inform employees of the established processes and procedures to follow when requesting a classification study on their own behalf and to further inform them of the parties' understanding on the acknowledgment of such studies and follow-up reports.

### Section 3.            Procedures

A request for a classification study by an employee who believes his/her position is misclassified must be submitted in writing to the employee's department. If the employee's department cannot support the employee's request, it will be returned to the employee within thirty (30) days with an explanation. If the employee still believes the request is justified, the employee has the right to resubmit the request to the employee's department, which shall in turn schedule and conduct a classification study as defined by the Director of Personnel.

Section 4. Acknowledgment and Follow-Up Reports

Management agrees that all employee-initiated classification study requests shall be promptly acknowledged. Further, the department will inform the employee, and the Union may request a status report on the estimated completion date of the study. The departmental Management will keep the employee informed of study progress and forward written objections from the employee to either the Director of Personnel or the departmental Personnel Office, whichever is appropriate. It is further agreed that, if, within ninety (90) days, no action has been taken on an employee-initiated study, the departmental Personnel Officer or the Director of Personnel shall provide progress reports to the employee and to the Union upon the request of either.

The County agrees to provide SEIU, Local 721 notice and consult pursuant to County Code Section 5.04.090 (A) regarding new classifications, the primary duties of which are derived from SEIU, Local 721 represented classifications. Further, subject to approval of said new classifications by the Board of Supervisors, and upon accretion of said classes to the appropriate bargaining unit, upon the request of SEIU, Local 721, the parties agree to negotiate and recommend proposed salaries to the Board of Supervisors for approval. Nothing in this paragraph shall limit Management's authority to classify or reclassify County positions pursuant to Civil Service Rule 5, Classification.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document shall not be placed in the official file nor referenced in any Performance Evaluation or Appraisal of Promotability until the grievance procedure or civil service

appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms.

Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Director of Personnel and by the Department Head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which disability prevents her from performing the duties of her position as certified by her primary care giver (physician, nurse practitioner or nurse mid-wife), may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury. ## ARTICLE 29      ENHANCED VOLUNTARY TIME-OFF PROGRAM

### Program Description:

EVTO is a special temporary program through which employees may individually volunteer to help reduce County Expenditures during periods of budgetary shortfall by taking one or more unpaid leaves of absence without the full loss of benefits usually associated with unpaid leave. This program will assist in achieving budgetary savings without significant adverse impact on critical public services.

### Program Requirements:

The EVTO program includes the following elements and requirements:

- Implementation of the provisions of the Enhanced Voluntary Time – Off Program within each Department shall be subject to prior authorization by the Chief Executive Officer.
- The Chief Executive Officer may establish procedures and issue administrative instructions regarding the operation of the Enhanced Voluntary Time-Off Program.
- In order to maintain critical public services, all requests by employees for unpaid EVTO leave must be in writing and be approved in advance by the Department Head or his/her designee.

- During specific times each fiscal year, employees who wish to participate in EVTO will pledge the number of hours to be taken as EVTO. This will assist the departments in determining projected savings.
- In the event of an industrial injury or unforeseen hardship which significantly impacts an employee's decision to request EVTO, such employee shall be able to rescind or modify his or her EVTO pledge. However, a change or modification in scheduling days off must be approved by department Management.
- In the event of a County emergency affecting public health or safety, a Department Head may rescind all or part of any EVTO pledge, and require such employee to return to work immediately. Nothing in this paragraph reduces the authority of a Department Head to terminate any leave of absence as described in Civil Service Rule 16.04.
- An employee may take up to sixty (60) calendar days of EVTO each fiscal year during this program (see below for EVTO after sixty (60) days) with the following benefit guarantees:
  - EVTO may be taken as sixty (60) or fewer consecutive calendar days; as a reduced work-week schedule (4/36 or other); or as occasional days off with Management approval.

- EVTO will not affect flexible benefit plan County contributions, or vacation and sick leave accrual. However, employees may wish to schedule occasional EVTO days to avoid loss of pay for weekend and holiday days.
- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.
- EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
- An employee may take a total of one (1) year of EVTO with the following parameters:
  - A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
  - After the first sixty (60) days of EVTO, the sixty (60) day EVTO benefit guarantees will not apply.

- Retirement service credit will not accrue during this period.
- FLSA Non-exempt employees may request EVTO in increments as little as one hour.
- FLSA Exempt employees must request EVTO in full work day increments.
- EVTO is granted without requiring employees to first use accumulated vacation and compensatory time-off.
- EVTO is not available to employees on any other paid or unpaid leave.
- Department Heads may continue to approve other unpaid leave of absences.
- If the employee's request is not approved, Management will respond in writing to the employee giving the reason(s) for denial.

An affected employee's departmental payroll section shall within one (1) business day forward a written request for a corrected or supplemental pay warrant for the affected employee to the Auditor-Controller. An employee shall be deemed to have waived the above indicated time limits, and to have indicated that he/she is willing to accept an adjustment on the following payroll warrant if he/she does not request a corrected or supplemental warrant within two (2) calendar days after receipt of the regular payroll warrant, exclusive of Saturdays, Sundays, and legal holidays.

The provisions of this section may be implemented even if the employee cashes the payroll warrant.

## Section 2.            Overpayments

Management will endeavor to notify the affected employee of an overpayment on the employee's payroll warrant(s) prior to making any deduction to recover any such overpayment from the employee's subsequent payroll warrant(s). Upon request by the affected employee Management will establish a reasonable method of repayment.

County agrees to determine the feasibility of having an affected employee repay an overpayment with accumulated benefits that the employee would be entitled to at termination of employment. County agrees to consult with the Union on this issue within ninety (90) days after implementation of this MOU, in accordance with the Employee Relations Ordinance [5.04.090(A)].

Recovery of more than fifteen percent (15%) of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor- Controller. Such recovery shall not exceed fifteen percent (15%) per month of disposable income (as defined by State law), except, however, that a mutually agreed-upon acceleration provision may permit faster recovery.

## Section 3.            Grievances

Any grievances regarding this Article shall be processed beginning with level three (3) of the Grievance Procedure.

In the event an employee incurs a significant underpayment in his/her payroll warrant and it is determined that the underpayment is due to an error on the part of the County, Management agrees, upon a formal written request from the employee, to provide a standardized letter that states the reason(s) the affected employee's payment was late.

Section 5.        Garnishments

Management shall notify the affected employee of a garnishment of wages and the amount of percentage to be garnished promptly upon receipt by the County of an order to garnish.

A. Options/Salary-Coordinated Bargaining

At SEIU, Local 721's sole option, the Union may re-open the 2003-2006 Fringe Benefit MOU (Article 8, Options) and the Individual Unit Contracts (Salary Article) for the purpose of negotiating a shift of general movement salary dollars to increase the County's Options (Health Insurance) contribution in 2005 and/or 2006.

Section 2                      Step Advances

- A. Full-time permanent employees in this unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better performance evaluation has been filed by the employee's department. The performance evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.

- B. If no performance review is filed as defined in an above or if an employee receives an improvement needed performance evaluation, the employee's step advance will not be granted on the date due.

Where no performance evaluation is issued in accordance with Paragraph A above, the employee may request his department head in writing to issue a performance evaluation. The department head shall issue a performance evaluation within five (5) days of the employee request. If said evaluation is competent or better, the employee shall be granted a step advance effective to his step advance anniversary date.

- C. Grievances arising out of this Section shall be processed as follows:
1. Where no performance evaluation has been issued in accordance with Paragraph B above, the employee may file a grievance with the Department of Human Resources. If the Director of Human Resources fails to obtain issuance of such performance evaluation within ten (10) days after the grievance is filed with the Director of Human Resources, the employee shall be deemed competent and the step advance shall be processed within thirty (30) days effective to his/her step advance anniversary date.

2. Where the department head issues a performance evaluation upon request of the Director of Human Resources and said performance evaluation is competent or better, the employee shall be provided a step advance within thirty (30) days effective to his/her step advance anniversary date.
3. Grievance based on an improvement needed performance evaluation shall be filed within (10) days of issuance with the department head or his/her designated representative who shall respond to the grievance within ten (10) days.

Appeals from a department head decision shall be processed in accordance with Civil Service Commission Rules.

During the term of this agreement, should any changes be made in the existing categories of Performance Evaluations with adversely impacts the application of this section, the parties agree to meet and renegotiate this section. In the event an agreement cannot be reached through negotiations, it is agreed that the Union may submit the dispute to arbitration. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluations.

Section 3.

The parties having jointly reviewed and considered available salary and wage information data, agree that the recommended salaries set forth herein were negotiated in good faith, and that said salaries were determined independently of race, gender, age or national origin.

Section 4.            Minimum Wage

## APPENDIX A

### **Performance Evaluations**

Performance evaluation deals with the development, discipline and appraisal of employees on a continuous or routine basis. Evaluation of performance is not the simple preparation of an annual report, but is a continuous process involving the communication of work goals, giving instructions, assigning work, observing and evaluating work progress and the ongoing dialogue between supervisors and workers during the entire rating period.

### **Informal Corrective Actions**

Informal corrective actions represent attempts to handle problems before they seriously hamper employee effectiveness. Because they are informal, they do not get inserted into the employee's official personnel record. Informal correction actions include discussion/coaching, counseling or a written notice of expectations or counseling.

### **School and Child Care Activities**

Any employee who is the parent, guardian, or grandparent with custody may utilize existing vacation, personal leave, compensatory time off, or leave without pay to participate in the school activities of their children who are either enrolled in kindergarten through twelfth grade or are under the age of five and enrolled in a child care or preschool program.

### **Civil Service Examinations**

Any employee shall be allowed time necessary to be absent from work at his or her regular rate of pay to participate in civil service examinations for positions with any public entity as defined in Section 6.04.080 of the Los Angeles County Code.

### **Military Leave**

Any employee shall be allowed a military leave of absence in accordance with the applicable provisions of law including, but not limited to, the Uniformed Services Employment and Reemployment Act, the Family and Medical Leave Act, the California Military and Veterans Code, the Los Angeles County Charter, and the Los Angeles County Code. At the conclusion of such leave, the employee shall be returned to work with all accumulated rights and benefits, including educational benefits, in accordance with all applicable provisions of law. No County employee shall be discriminated against, or adversely impacted, in any manner as a result of utilizing military leave.

### **Disaster Leave**

In the event of a disaster emergency as defined by Section 2.68.050 of the County Code and the Emergency Ordinance, Ordinance 10493, that prevents employees from reporting to their positions, the Chief Executive Officer may grant a leave of absence with pay to such employees, subject to ratification by the Board.

## APPENDIX C

### EMPLOYEE RIGHTS AND RESPONSIBILITIES

### UNDER THE FAMILY AND MEDICAL LEAVE ACT

#### Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

#### Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

#### Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

#### Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

#### Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

#### Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

#### Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

#### Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FIVILA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

#### Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

#### Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:  
Interfere with, restrain, or deny the exercise of any right provided under FMLA;  
Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

#### Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

"NOTICE A"PREGNANCY DISABILITY LEAVE

Under the California Fair Employment and Housing Act (FEHA), if you are disabled by pregnancy, childbirth or related medical conditions, you are eligible to take a pregnancy disability leave (PDL). If you are affected by pregnancy or a related medical condition, you are also eligible to transfer to a less strenuous or hazardous position or to less strenuous or hazardous duties, if this transfer is medically advisable. You are also eligible to receive reasonable accommodation for conditions related to pregnancy, childbirth, or related medical conditions if you request it with the advice of your health care provider.

- The PDL is for any period(s) of actual disability caused by your pregnancy, childbirth or related medical conditions up to four months (or 88 work days for a full-time employee) per pregnancy.
- The PDL does not need to be taken in one continuous period of time but can be taken on an as-needed basis.
- Time off needed for prenatal care, severe morning sickness, doctor-ordered bed rest, childbirth, and recovery from childbirth would all be covered by your PDL.
- Generally, we are required to treat your pregnancy disability the same as we treat other disabilities of similarly situated employees. This affects whether your leave will be paid or unpaid.
- You may be required to obtain a certification from your health care provider of your pregnancy disability or the medical advisability for a transfer or reasonable accommodation. The certification should include:
  - 1) the date on which you become disabled due to pregnancy or the date of the medical advisability for the transfer or reasonable accommodation;
  - 2) the probable duration of the period(s) of disability or the period(s) for the advisability of the transfer or reasonable accommodation; and,
  - 3) a statement that, due to the disability, you are unable to work at all or to perform any one or more of the essential functions of your position without undue risk to yourself, the successful completion of your pregnancy or to other persons or a statement that, due to your pregnancy, the transfer or reasonable accommodation is medically advisable.
- At your option, you can use any accrued vacation or other accrued time off as part of your pregnancy disability leave before taking the remainder of your leave as an unpaid leave. We may require that you use up any available sick leave during your leave. You may also be eligible for state disability insurance for the unpaid portion of your leave.
- Taking a pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave, the impact of the leave on your seniority and benefits, and our policy for other disabilities, please contact

"NOTICE B"FAMILY CARE AND MEDICAL LEAVE (CFRA LEAVE) AND  
PREGNANCY DISABILITY LEAVE

- Under the California Family Rights Act of 1993 (CFRA), if you have more than 12 months of service with us and have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave, you may have a right to an unpaid family care or medical leave (CFRA leave). This leave may be up to 12 workweeks in a 12-month period for the birth, adoption, or foster care placement of your child or for your own serious health condition or that of your child, parent or spouse.
- Even if you are not eligible for CFRA leave, if disabled by pregnancy, childbirth or related medical conditions, you are entitled to take a pregnancy disability leave of up to four months, depending on your period(s) of actual disability. If you are CFRA- eligible, you have certain rights to take BOTH a pregnancy disability leave and a CFRA leave for reason of the birth of your child. Both leaves contain a guarantee of reinstatement to the same or to a comparable position at the end of the leave, subject to any defense allowed under the law.
- If possible, you must provide at least 30 days advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself or of a family member). For events which are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of the need for the leave.
- Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.
- We may require certification from your health care provider before allowing you a leave for pregnancy or your own serious health condition or certification from the health care provider of your child, parent, or spouse who has a serious health condition before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or a reduced work schedule.
- If you are taking a leave for the birth, adoption or foster care placement of a child, the basic minimum duration of the leave is two weeks and you must conclude the leave within one year of the birth or placement for adoption or foster care.
- Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact
